OUTSIDE PROGRAM

1. On 10 January a half-day top secret orientation to intelligence and the intelligence community was conducted for the 12 members of the Senior Officers Course at the National Security Agency.

2. The new NSA building at Fort Meade seems to be quite efficient, but it is ugly. It was not too difficult to adjust to the "Music by Muzak" being piped in during the lecture, but the 2 o'clock "Word from the Director" brings everything to a halt.

CIA REVIEW

On 14 January this program was conducted for 30 overseas returnees.
